

MEMORANDUM FOR: JJH ~~For Review~~ *AEM-OK, do.*

In encouraging OTR to write such a manual Knoche expressed interest in the outcome and at least inferred that we would be willing to help out in this effort.

of OTR has been assigned as the Project Officer. A draft of the outline of the manual has not received D/OTR blessing and to my knowledge no one from the Center has seen

I have shown a copy of the attached memo to [redacted] states that he will have no trouble in accommodating [redacted] in his spaces during the period requested (the leave schedule makes available empty desks).

Perhaps we should send a memo to [redacted] stating that we would be pleased to accommodate [redacted] and include a statement that indicates our interest in the project but withhold judgment ~~up to~~ the level of participation in writing it until we get the outline.
